

FY06 Missouri Lottery Proceeds Appropriations

(revised 4/15/10)

Since 1986, the Missouri Lottery has contributed more than \$2.4 billion to the state of Missouri and public education. Annual Lottery contributions comprise about 3.8 percent of the state's funding for public education – an effort shared by local, state and federal governments.

For fiscal year 2006, more than \$237 million from Lottery proceeds have been appropriated to Missouri's public education programs by the Missouri Legislature through House Bills 2, 3, 15 from the 93rd General Assembly. The following is a list of programs that will receive Lottery proceeds.

Missouri Department of Elementary and Secondary Education

\$156,649,818

\$121,113,007 (4 percent of total program funding)

Foundation Program

These funds help pay for day-to-day operations of school districts, including At-Risk Programs, special education, gifted education, transportation, early childhood special education, the Career Ladder Program, vocational education and early childhood development.

\$14,750,941 (90 percent of total program funding)

A+ Schools Program

Through this program, high schools meet specific standards to assure their students are well prepared to pursue advanced education and employment. Students who graduate from a designated A+ School may qualify for state-paid assistance to attend any public community college or technical school in the state.

\$7,768,606 (77 percent of total program funding)

Public Placement Excess Cost Program

This program was established to assist school districts in providing education services to students in residential placements through the Missouri Department of Mental Health or the Missouri Division of Family Services by paying the excess cost incurred by those school districts for educating these students placed outside the school district where their parents reside.

\$6,000,000 (100 percent of total program funding)

Special Education Excess Costs

The "High-Need Fund" was established to reimburse school districts for educational costs of serving children with individualized education programs exceeding three times the current expenditure per average daily attendance. This fund will be both disability- and placement-neutral, creating a safety net for school districts which have no way of projecting the extraordinary cost of certain high-need students.

\$4,568,630 (37 percent of total program funding)

Performance-Based Assessment Program

This program provides funding for continued development, administration and scoring of the statewide Missouri Assessment Program (MAP). The Lottery funding covers testing costs for the subjects of math and communication arts.

\$1,400,000 (3 percent of total program funding)

Vocational Rehabilitation Program

This money will be used by the Division of Vocational Rehabilitation to assist clients who have disabilities to obtain employment by diagnosis, physical restoration, training, placement and other related services.

\$342,754 (85 percent of total program funding)

Maintenance/Repair State Schools

This money will support various repair projects at the state-operated schools for severely handicapped children, the Missouri School for the Deaf and the Missouri School for the Blind.

\$250,000 (29 percent of total program funding)

Character Education Initiatives

These funds will provide teacher training and resources to schools to emphasize the importance of universal values such as responsibility, respect, trustworthiness, fairness, caring and citizenship.

\$200,000 (100 percent of total program funding)

Future Minority Teacher Scholarships

This money will be used to help fund Missouri's Scholarships Program for minority teacher education students in approved programs at four-year colleges or universities in Missouri.

\$145,000 (29 percent of total program funding)

Early-Grade Literacy

These funds provide targeted funding for professional development activities related to the early-grade literacy programs offered at Southeast Missouri State University in Cape Girardeau.

\$57,284 (2 percent of total program funding)

Information Technology Services Division

These funds will help fund personal service and/or expenses and equipment.

\$53,596 (less than 1 percent of total program funding)

Administration Costs

These funds will help pay for general administrative expenses and equipment.
